Syrene Skin Care

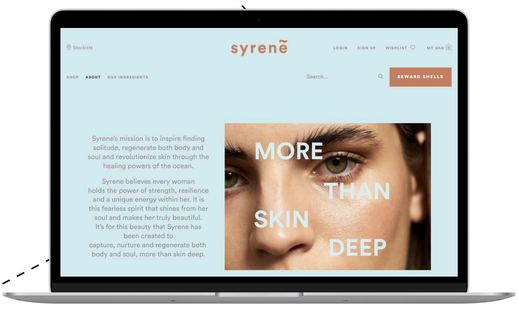

Syrene believes every woman holds the power of strength

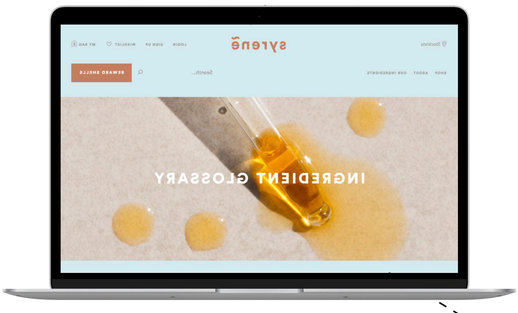

ALL PRODUCT

Syrene's mission is to inspire finding solitude, regenerate both body and soul and revolutionize skin through the healing powers of the ocean.

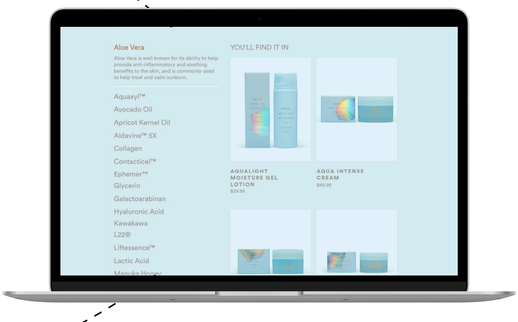

ABOUT US

It's for this beauty that Syrene has been created to capture, nurture and regenerate both body and soul, more than skin deep.

OUR INGREDIENTS

Syrene is a natural skincare brand and uses both natural and naturally derived ingredients, consciously formulated to develop truly efficacious products.
