www.my-company.app

FACE SCANNING

At MyCo, we provide a smooth and hassle-free attendance solution. We use fast face recognition technology, making the process quick and efficient. Even if you don't have an internet connection, don't worry. We've got you covered with offline data storage. Your attendance data is captured and automatically synchronized with the server once your internet connection is back up and running. It's all about making attendance easy and convenient for your business.

FEATURES THAT'LL HELP YOUR BUSINESS MOVE FURTHER!

Effective Communication Made Easy

Circular

Share important announcements and updates efficiently with MyCo's circular feature, ensuring all employees stay informed and engaged.

Meeting

Plan, schedule, and organize productive meetings effortlessly with MyCo's intuitive and user-friendly meeting management feature.

Complaint

Address and resolve employee concerns effectively by providing a dedicated platform for submitting and managing complaints within MyCo.

Documents

Simplify document management with MyCo's intuitive feature, organizing company-wide and department-specific documents for easy access and download, eliminating the hassle of managing documents on internal drives.

MyCo

Discussion Forum

Foster a culture of knowledge-sharing and collaboration through MyCo's discussion forum, empowering employees to exchange ideas, seek advice, and contribute to the company's growth.

Polls

Engage your workforce with interactive polls, gathering quick feedback and opinions. Create surveys to facilitate decision-making and promote employee engagement, enabling better insights and participation.

Chat

Stay connected and streamline conversations with real-time messaging in MyCo, ensuring quick and efficient communication among team members.

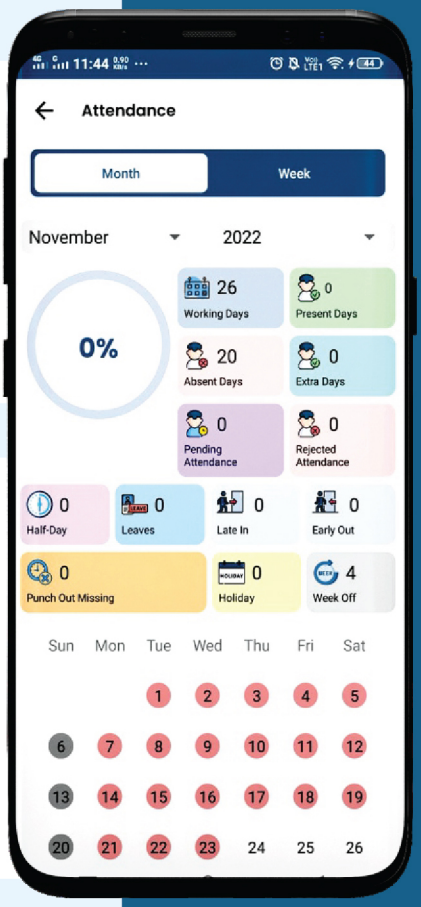

Idea Box

Foster innovation and gather valuable ideas through MyCo's Idea Box feature. Employees can submit ideas via the mobile app, allowing for collaboration and feedback. Management can review, approve, or reject ideas, promoting a culture of creativity and problem-solving.

WONDERFUL SOLUTION
FOR HR WORKLOAD

HRMS

Efficiently manage all HR-related tasks, such as employee onboarding, off boarding, and employee records. MyCo's HRMS simplifies personnel management and ensures seamless employee information organization.

ATTENDANCE

Track employee attendance accurately and conveniently. MyCo offers various attendance recording methods, including face recognition, QR codes, and manual entry, making it easy to monitor and manage employee attendance. Inhouse plus remote working backed up with face recognition. Geo-fence for field work and multiple site management.

QUICK FACE RECOGNITION ATTENDANCE

MyCo offers a seamless attendance experience with quick face recognition. Even when the internet is unavailable, offline data storage ensures that attendance information is captured and automatically synced with the server once the internet connection is restored.

LEAVE MANAGEMENT

Simplify leave requests and approvals with MyCo's intuitive leave management system. Employees can submit leave applications, and managers can review and approve them digitally, ensuring smooth leave management processes.

MyCo

SHIFT MANAGEMENT

Create and manage employee shifts effortlessly. Schedule shifts, assign employees, and ensure smooth transition and coverage across different work timings.

EXPENSE MANAGEMENT

Streamline expense tracking and reimbursement processes with MyCo's HRMS. Employees can conveniently submit expense requests through the mobile app, while admins can efficiently approve expenses for reimbursement, ensuring transparency and efficiency in financial matters.

WORK FROM HOME

Enable and manage work-from-home arrangements for employees. Keep track of remote working hours and ensure seamless communication and collaboration.

PAYROLL

Streamline payroll management with MyCo's integrated payroll system. Automate salary calculations, deductions, and tax calculations, saving time and reducing errors.

MyCo

EMPLOYEE REFERRAL

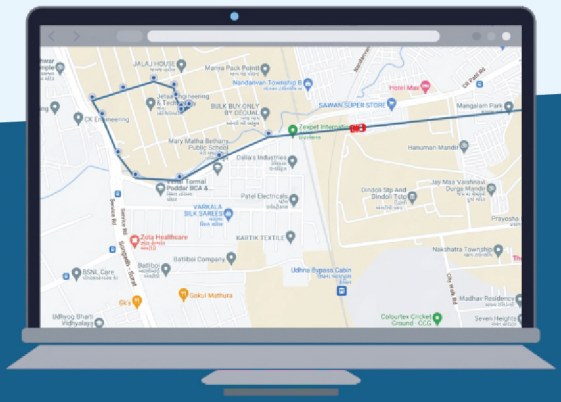

Empower employees to refer potential candidates for company openings with MyCo's streamlined employee referral system. Easily share referrals and reward successful hires, tapping into your team's network to find top talent.

REPORTS

Generate insightful reports and analytics on various aspects of your company's operations. Gain valuable insights into attendance, leaves, expenses, performance, and more, enabling data-driven decision-making.

SALES TRACKING

Manage sales activities and track sales orders within MyCo. Monitor the sales pipeline, track sales conversions, and analyze sales performance to drive revenue growth.

Daily Work Reports

From the HR team to the sales team, you can curate customised technical report for department-wise segregation in just a few taps. Get the daily reports from all departments under a single portal.

Employee Tracking

Track employee location and activities when necessary. MyCo's employee tracking feature ensures enhanced security and facilitates efficient management of field staff.

PERFORMANCE ENHANCEMENT

PMS

Enhance performance management with MyCo's integrated PMS feature. Track goals, provide regular feedback, and assess employee performance for optimized performance management.

Task Management

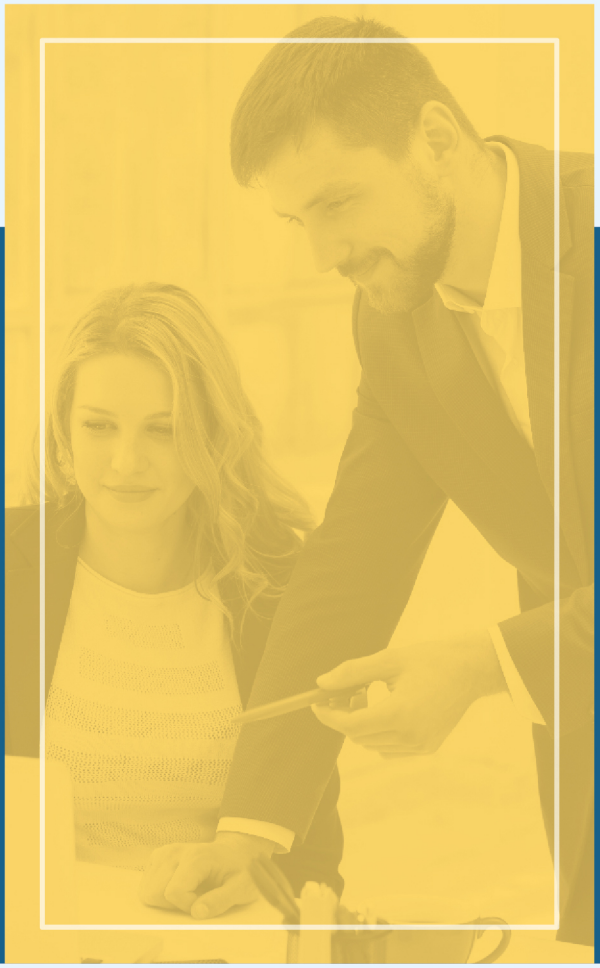

Effectively manage tasks across your organization with MyCo's comprehensive Task Management feature. Assign tasks, set due dates, and track progress, fostering collaboration and accountability. Employees can delegate tasks, ensuring efficient teamwork and providing a clear overview of the task timeline from the admin menu.

TEAM ENGAGEMENT

Encourage team collaboration and engagement with MyCo's timeline feature. Celebrate work anniversaries, birthdays, and other milestones. Share updates, photos, and videos to foster a sense of belonging and camaraderie.
