Why Should You Buy Our Accessories ?

Unique & Perfect Designs
40 Years of experience in Design & Manufacturing

Scooter warranty
Use the scooter's official company bolts for safety guard fitting. It does not breach any official scooter warranty.

Easy Fitting
Any ordinary person can fit the accessories.

Child's Footstep
Rear safety round guard Comes with Child ' footstep. Kids to adults can easily keep their feet on the Footrest.

Durable
Lift the whole scooter in the air using safety guard. It is made from an 18 gauge/1.15mm thick Mild Steel Pipe or stainless-steel pipe.

Rust Proof
India's First Nickel and Chrome Plated Rust Proof Stainless Steel Accessories.
Premium high-quality powder manufactured by JUTON/BERJER Paints is used for black powder coating.
